

**Bedale Library Committee
Bedale Hall**

24th September 2024

Dear Library Volunteers

On behalf of Bedale Town Council I am writing to express the Council's gratitude for your invaluable contribution to the quality of life in our lovely town.

The Library plays a vital role in our community, both with visitors to the building and your outreach work in the community, and the dedication and hard work of the Library's volunteers is always evident.

The Council was particularly pleased to see your recent BBC breakfast television feature, which shone a positive light on the Library, Bedale Hall, and our community in general.

Yours sincerely

**Nick Reed
Clerk to Bedale Town Council**
